## Mira Sport

One of the best-selling electric showers in the UK, Mira Sport has been providing customers with an invigorating shower experience for over a decade. And now Sport has just got even better, thanks to some great improvements across the range.

Clearscale™ can reduce limescale build up by half for better performance and longer life

Opti-flo™ delivers up to 50% more water flow in the summer than ordinary electric showers

Sensi-flo™ protects the user by turning off the heater elements if the water flow is obstructed

Slimline design - Mira Sport is the UK's most popular slimline shower range

Select & Forget controls mean the shower can always be left at your favorite setting - so there's no need to adjust it every time you have a shower

Mira Logic shower fittings featuring a Rubclean handset, stylish curved slidebar and a soap dish large enough to hold multiple bottles of shampoo or shower gel

Power and low flow indicators

Choice of white or white/chrome finishes

SPORT75 Sport 7.5Kw

SPORT9 Sport 9.0Kw

SPORT98 Sport 9.8Kw

## Mira Sport Max

Imagine a powerful and invigorating showering experience with all the practical benefits of an electric shower. That's Mira Sport Max, the UK's most powerful electric shower.

Opti-flo™ and 10.8 kW power combine to make Mira Sport Max the UK's most powerful electric shower

Up to 40% more flow than a 7.5kW electric shower

Easy to use push button controls to select start/stop and power setting

Red lights indicate stand-by changing to green once a power setting has been selected, they also dim to indicate shutdown and sleep modes

Choice of white or white/chrome finish

SPORT108 Sport Max 10.8Kw

## Mira Advance ATL

The Mira Advance was the first electric shower to feature safe thermostatic control for precise, regulated temperature selection. Now the Mira Advance ATL gives you even more control for enhanced safety and comfort, making it ideal for families and healthcare installations. The Mira Advance ATL electric shower range is also approved to the stringent tests of the BEAB CARE mark.

Choice of white or white/chrome finishes  
Adjustable temperature limit, with a choice of eight maximum settings, including 41°C, required for healthcare  
Mira Response showerhead, with easy-clean rubber nozzles and four exciting spray patterns - Start, Soothe, Force and Eco  
Separate temperature and flow controls allow you to leave the temperature control at your preferred setting  
Two power options: 8.7kW and 9.8kW  
BEAB CARE mark approved
