Shower Trays

Pagoda Tray

A high quality design led solution that revolutionises the shower tray's traditional shape, as a product that is to be considered elegant furnishings. With the "Pagoda" shower tray. A solid base supports a thin shape that is inspired by the roofs of oriental pagodas. The anti-slip design, with a solar motif, has the dual role of artistic graffiti and functional adherent structure. "Pagoda" is available in Brass, Graphite, Bronze, Ivory & White
