| ARC2229 | 2200mm x 290mm | 1066 Watts |
| ARC2241 | 2200mm x 410mm | 1739 Watts |

Colours: White
Other colours available for special order

Newton

The Newton is the latest and possibly most amazing design from the range that includes the Arc. It offers comparable output with a more rounded edge, like the Arc.

Steel

| NEW2061 | 2000mm x 610mm | 1918 Watts |

Colours: White
Other colours available for special order

Bar

The Bar is a vertical radiator with a difference - the tubes are flat, almost like fins, so offer great output with unusual design. This popular artisan produced radiator comes in a range of sizes, colours and special finishes.

Steel
30mm Shaped Collectors
60mm Flat Cross Tubes

| | | |
|---------|----------------|------------|
| BAR1832 | 1800mm x 320mm | 867 Watts |
